Enligad Company with reference the former caucus in countenance.

counties, cities and towns, together with the "ownership of the debt of the United tive amounts." It calls, also for full stateroad companies in the country-their capital stock, debts, earnings, expenses, the number of acres still unsold, salaries and wages paid, number of em-Similar information is exacted of all express companies-institutions we know very little about. Next come the insurance companies, which are required to report their capital, assetts, number of personsemployed, deferred and unpaid preand unadjusted, receipts from cash premiums and all other sources and expendilooked; they are required to give a comwirether own, their capital, receipts, ex- gether last night? perditures, number of officers, and numberof messages sent for the press, private parties and federal officials. With all this informatics, together with the usual statistics of population, nativity, births, deaths, toos, manufactures, capital, wages, materials and products, furnished us in the next report, we shall have a pretty thorough and very interesting exhibit of the condition of the country, as a guide to future legislation. information, together with the usual statis-

Democratic Canens at the Capitol Last

There is trouble in the Democratic party these days. It requires a caucus every short while to keep the organization in saled for the purpose of setting down and specially a special for the purpose of setting down on the speaker of the House, in order to field time independence of the House, in order to field the most of the speaker of the House, in order to field the possibility of the possibility of the possibility of the speaker of the House, in order to field the possibility of the speaker of the House, in order to field the possibility of the speaker of the House, in order to field the possibility of the speaker of the House, in order to field the possibility of the speaker of the House, in order to field the possibility of the speaker of the House, in order to field the possibility of the possibility of the speaker of the House, in order to field the possibility of the possibility of the possibility of the speaker of the House, in order to field the possibility of the possibility of the possibility of the speaker of the House, in order the house in the House and the House and the anything like a homogeneous condition. It was only a few nights ago that a star

seemed so ludicrous, even in the eyes of those who participated in the caucus, that they thought it best to enlarge the personnel a little more, so that the recal citrants and independents would not be such a prominent feature of the next caucus. Accordingly they held an the two houses yesterday other one last night. They sent out into the high ways and by ways in order that the authorities of the Baltimore and the numbers might be sufficient to keep

What the special and particular object of the gathering really was it would perhaps be difficult to set forth. Ostensibly hairman, and arranged for a confer- it was to consider ways and means of putin Vice President Keyser this ting the Democratic party of West Virginis in effective shape. The Hen. Charles James Faulkner, who was present, spoke of the fact that the party had lost on county grand jury have New York, New Jersey, and Connecticut Conkling Makes a Night Lunch on since 1876, and that its majority of 15,000 buying up in this State in that year had dwindled down in 1878 to such a figure as to inspire this side of the river, in fears that West Virginia might go over to aws of Ohio and to the the enemy in 1880. Various other speeches many poor families living were made expressive of a realizing sense had come when the Democracy should awake, arise, and shake the dew drops from their hunting robes, or sink forever into an inglorious slumber.

> weigh heavy on the hearts of the brethern was an apparent conviction that they of Mr. Hayes and his miserable ern was an apparent conviction that they had no organ worthy of the name in this city. The Wheeling Register, judging from the tenor of a resolution offered, and various comments made thereon, was not considered by any means worthy to be called an organ. For instance, how Wm. L. Hearne, of this city, offered the following preamble and resolution, expressive of the sense of the Democracy on this point:
>
> | All the information of any hossistate or feel weak in the knees, that if the worst comes to the worst there is an organization in the House embeds in the worst comes to the worst there is an organization in the House embeds in the worst comes to the worst to stand by Mr. Southard and fillibuster out the remaining hours of the session or ather than let the legislative bill pass without repealing the election law. The fraud in the White House and his pals.

State have long felt the want of a reliable organ or newspaper to represent said party, and whereas the Wheeling Register, claiming to represent that party, has been for years past conducted in such a way, apparently, as to have for its sole and exclusive object the acquisition of money by its proprietors, without any true and proper regard to the general interest of the party; and whereas en account of its notorions delinquencies and shortcomings our party has been and is now at a great like where

not deserve its patronage or support.

2. That we who are here assembled ble Democratic newspaper at Wheeling, and do hereby pledge ourselves to use all proper means in our power to support such a paper, and make it a success.

We understand that the Hon. John Hanson Good, who was present, sailed in on the strength of this resolution and supported it vigorously, going for our or-The caucus, however, after discussing the it, on the score, as ruled by chairman port from the committ and nutritious fish. Although the organ of the party, and there as Speaker pro tem. They had better let the Register alone. It over-estimated, hacks these days. The idea of a thick such a supply of cheap food tends and thin, year in and year out, party organ ep down the price of all has grown repulsive to the thinking and

The caucus last night had a good deal of The caucus last right had a good deal of the general aspects of a Democratic office seekers gathering. The Hon.Charles James faulkner we all know is a candidate for flowerhor, and is here at this time setting up the pins to that end. Chairman Denois the country it afforded, and the country it afforded the country it amended by Senate, to succeed Hereford, as also is jections, however, were made to nearly all of the bills. Among them the one It provides for full and accurate de-of the public indebtedness of states. Cook In fact, will sampled tell us Mr. Atkins moved that the House insist re public indebtedness of states, son Good. In fact, will somebody tell us

> are not candidates for some office. The Register can not possibly support all

who, of all who were present last night.

the various aspirants for these different offices, and the caucus, perhaps, on sober second thought, made some allowance for that fact.

It was noteworthy that Senator Turner, of Harrison county, was not present. It is said that he scratched his name off the call for the caucus, and remarked that he renounced the party, or words to that umber of passengers car- is said that he scratched his name off the effect. This is a case that seems to demand the attention of the Democracy, and to call for fresh disciplinary action With two such men as Moffet and Turner miuns, total liabilities, losses, adjusted kicking out of the traces, and the organ of the party running loose and uncontrolled the Democratic machine is in danger of tures. Telegraph companies are not over- jumping the track and ditching the train in 1880. In that case what becomes of all the numerous office seekers who met to-

on its disagreement to the Senate amend-ments to the legislative appropriation bill, and that a new Conference Commit-

tee be appointed.

Mr. Baker moved to concur in the Sen-

offered a resolution of thanks to Speaker Randall. It was unantmously adopted. Thanks of the House were also unant-mously tendered to Reading Clerks, Pellet and Brown.

and Brown.

Mr. Atkins began an address to the House but was interrupted by several nessongers and by motion to admit addes of members families to the floor. Privilege accorded and generally availed

good has been successfully attained, is for time to prove, but that such has been the aim of both sides, cannot justly be disputed. Genuine concord between all the states and the citizens thereof, is the corner stone of our national prosperity. What prostrates or elevates one at the expense of the other inevitably inures to the ultimate injury of all. Al

perity. What prostrates or civates one at the expense of the other inevitably inures to the ultimate injury of all. Atthough each Representative has championed the wishes of his immediate constitute ency with earnestness, yet during the whole period of the existing House there has not been a single breach of legislative decorum. That noble respect born of a generous rivairy in a common good cause has softened all asperities. I feel that mere words are inadequate to thank fully this House for its resolution of approva of the manner in which I have discharged the duties of Speaker, always responsible and onerous, and often most delicate and difficult. I have done my best. Long

ZACH. CHANDLER EXPRESSES HIMSELF ABOUT JEFF. DAVIS. The debate in the Senate on the amend

The debate in the Senate on the amendment of Senator Hoar to exclude Jefferson Davis from the benefits of the arrears of pensions bill, which began at 1 o'clock on Monday morning, was not concluded until broad daylight. The exciting character of the discussion may beginning character of the discussion in the stated that nearly every Senator remained in his seat throughout its duration, while very few of the spectators in the galleries at the time of its commencement left until its conclusion. It was unquestionably one of the most animated and vehement political debates that has occurred in the Senate in many years. The argument

he summons of the Southern people to end them in their attempt to over the government, and that

ington, and that posterity would not fail to place both names side by side. Senator Harris, of Tennessee, followed Lamar in defending "Mr. Davis" from the wanton and malicious attacks of those who

concluded a long eulogy of Davis by de claring that Mr. Davis was the peer of an Senator upon the floor for purity and per sonal character.

passioned oratory which greatly surprised his closest friends, who had no idea tha Mr. Butler offered a resolution reciting that the semi-official letter of Williams, Special Agent of the Treasury Department, showed him to be unfit for public service and requesting his dismissal.

After some discussion Mr. Butler withdrew his resolution and the report was ordered printed.

The House then, at 1:15, took a recess till 90 clock.

The Bouse then, at 1:15, took a recess till 90 clock.

The session being resumed the considered cannon was voted to the Williams' Monument Association, of Detroit.

The space in front of the Speakers desk that space in front of the Speakers desk that space in front of the Speakers desk and perjury upon his lips, he took the contraction. the veteran stalwart could speak so well said: "Mr. President, twenty years ago was to follow. Your fleets were scatter wherever the winds blew and water w found to float them where they could be used to put down rebellion. Yourmies were scattered all over this brolland where they could not be used in memergency. Your treasury was dependent. terest, principal and interest payable in coin, wore sold for eighty-four cents of the dollar to pay current expenses, and no Conference Committee would be appoint, ed, withdrew his motion, and Messra. Atkins and Toster were appointed in the measure known as the McGown Health bill was then passed; yeas, 165; nays, 63.

Mr. Sparks moved to suspend the rules and concur in the Senate amendments to the arrears of pension bill. The motion, which was sustained by a viva voice vote, brought to their feet Messra. Mills and McKenzie and others on the Democratic side, who protested against such a measure.

The yeas and nays were ordered and the motion to suspend the rules and pass the bill relative to the transportation of animals. Negatived.

Mr. Finley moved to suspend the rules and pass the bill was agreed to—yeas 322, nays di.

Mr. Finley moved to suspend the rules and pass the bill relative to the transportation of animals. Negatived.

Mr. Atkins at 11:10, reported that the conference committee on legislative bills had not been able agree, and moved the House to althere as a parliamentary finality. Agreed to.

Mr. Gigrifeld (Mr. Cartisle in the chair), offered a resolution of thanks to Speaker Randall. It was unanimously adopted.

The served was unanimously adopted.

and onerous, and often most delicate and difficult. I have done my best. Long service here has taught me that hate or vengeance has never raised any cause to enduring honor; while, on the contrary, justice and mutual regard have given the weaker side an easy victory. With two corest parties dividing the results goed and the next session a majority of the same fiscal year, presents an extraordinary occasion, the conditional properties of the same fiscal year, presents an extraordinary occasion, the conditional properties of the first of the same fiscal year, presents an extraordinary occasion, the conditional properties of the same fiscal year, presents an extraordinary occasion, the conditional properties of the same fiscal year, presents an extraordinary occasion, the conditional properties of the same fiscal year, presents an extraordinary occasion, the conditional properties of the same fiscal year, presents an extraordinary occasion, the conditional properties of the same fiscal year, presents an extraordinary occasion, the conditional properties of the same fiscal year, presents an extraordinary occasion, the conditional properties of the same fiscal year, presents an extraordinary occasion, the conditional properties of the same fiscal year, presents an extraordinary occasion, the conditional properties of the same fiscal year, presents an extraordinary occasion, the conditional properties of the same fiscal year, presents an extraordinary occasion, the conditional properties of the same fiscal year, presents and the president of the same fiscal year, presents an extraordinary occasion, the conditional properties of the same fiscal year, presents an extraordinary occasion, the conditional properties of the same fiscal year, presents are extraordinary occasion, the conditional properties of the same fiscal year, presents are extraordinary occasion, the conditional properties of the same fiscal year, presents are extraordinary occasion, the conditional properties of the same fiscal year, presents are extrao power vested in him by the Constitution weaker side an easy victory. With two great parties dividing the people, each tholding an important share in the Government, with a strict accountability on the part of the public servants, and viginanteyes watching all, with reviving business and restored confidence, may we not look hopefully to the early dawn of a new era of increased prosperity and greater proceeding.
Garland—What revolutionary proceed-

ings?

Mr. Conkling.—The revolutionary proceedings prefigured by the Senator from Kentucky; that revolutionary proceeding by which any majority coalition or combination of the two Houses, when it took the ground that the wheels of the Government should be blocked, should refuse appropriations with which to carry on the Gove ment as a penalty or inducement, unl the executive branch of the Governme the executive branch of the Government, for example, surrendered certain connections and rights. That was revolutionary. He who now held the powers deposited by the Constitution, with the executive branch of the Government, was not the nominee of the Democratic party. He incarnated the principles of the Republican party, and those who voted for him against his competitor, voted to distinguish between the creed of the Democratic party, so-called, and the Republican party.

Mr. Eaton.—So-called!

Mr. Conkling replied that his honorable friend from the committee knew no quali-

friend from the committee knew no quali-fication was necessary in speaking of the Republican party, for those were young and untaught who didn't know the emerand untaught who didn't know spring, gency out of which that party spring, these was anything by which the prin

executive of the Nation should surrender at the summons of the Democrats, he should feel that the two parties were divided but by the narrow neck of time, an isthmus hardly wider than a hair, between witnessing this sacrifice of principle now or in a few days. As to the political results of this throwing down the gage of battle, he didn't fear going to the country on the Issues presented. He would stand by these laws for two reasons; first, because he believed them to be right as they are, and, second, because if he thought they needed modification or repeal he would not proceed to consider them on the appropriation bills under duress and menace.

duress and menace.

At noon Mr. Ferry, President protem, said, the time fixed for the final adjournment of Congress having arrived the Chair declares the Forty-fifth Congress adjourned without day.

The closing hours of the session were characterized with more than usual confusion and disorder, the Senate chamber being densely crowded, both on the floor and in the galleries, and some; times with eight or ten Senators addressing the chair at the same time. It was with difficulty anything could be understood.

General Butler's individual report or

General Butler's individual report on the Potter investigation makes a document of some 200 pages. He maintains that the appointing of Justices of the Supreme Court on the Commission to decide the late Presidential election done moral harm to the cause of justice, by impairing the reverence of the people have always had for the integrity of the decisions of that Courtand the experiment ought never to be tried again. That the counting in of Hays was obtained by a series of gross and unjustifiable irregularities and frauds, which cannot be too strongly condemned and reprobated. That if any title to the Governorship of Louisiana, resulted from the late election in that State to any one the late election in that State to any one, it was to Governor Packard, who was legally elected. That the act of Hays is appointing and sending the MacVeagh Commission to Louisiana, was an act wholly unauthorized by the Constitution, and not within the scope of the executive, especially reprehensible, as the purpose and motive was to carry out the corrupt political arrangement and agreement on his motive was to carry out the corrupt point cal arrangement and agreement on his part, made by his friends with his knowl-edge and consent, the fruits of which he is still enjoying without right and law.
